Day 1 – Tuesday, Nov. 14th

 Main Congress Area

<i>From</i>	<i>To</i>	<i>Session Title</i>	<i>Session Keywords</i>
12:45	13:45	Innovative Public Transit Models Reshaping Cities	<i>public transport; strategic planning</i>
14:00	15:00	Improving Real-time Mobility Information for Commuters	<i>real-time data; sensors; traffic management; intelligent transport systems; multimodal; parking; data protection</i>

Day 2 – Wednesday, Nov. 15th

 Main Congress Area

<i>From</i>	<i>To</i>	<i>Session Title</i>	<i>Session Keywords</i>
16:45	17:15	Inspirational Talk: Jason Roberts	<i>community engagement, walkable cities, urban planning</i>
17:15	18:15	Bringing Pedestrians and Bikes Back to the City	<i>cycling; walkable; sustainable urban mobility; pedestrian strategy; non-motorized mobility</i>

Day 3 – Thursday, Nov. 16th

 Main Congress Area

<i>From</i>	<i>To</i>	<i>Session Title</i>	<i>Session Keywords</i>
11:45	12:45	Connected, Shared and On-demand Mobility	<i>mobility as a service; logistics optimization; shared transportation; integration platforms</i>
13:00	14:00	Disruptive Trends Transforming Urban Mobility	<i>big data; data privacy; parking; real time data; traffic management</i>
14:10	15:10	Intelligent Transport Systems Increasing Accessibility in Urban Areas	<i>transport hubs; ITS; public transport</i>
14:10	15:10	Solutions to Enhance Urban Mobility	<i>elevator pitch format</i>
15:20	16:20	Keep Cities Moving: Towards New Mobility Models	<i>connected & self-driving vehicles; intelligent transport systems; multimodal; public transport</i>

RAILWAY STREAM

Xavier Arrufat
Founder & CEO
AWAAIT
Spain

Jürgen Boss

PILZ
Spain

Ruben Ripoll
Railway Technical Director
RAILTECH SUFETRA
Spain

Ferran Rovira
CEO & Head of Mobility 4.0
KRUCHSIDOS
Spain

Albert Tortajada
Infrastructure Director
FGC
Spain

H. Peter Zwetkoff
President
VIA QUATRO
Brazil

Day 1 – Tuesday, Nov. 14th

Railway Hub

<i>From</i>	<i>To</i>	<i>Session Title</i>	<i>Session Keywords</i>
12:30	13:00	Hyperloop Keynote	free air resistance tubes, freight, safety, speed
13:15	14:00	Transport for London	TBD
15:00	16:30	Data Management for Preventive Maintenance	predictive maintenance, real-time scheduling, artificial intelligence, cloud computing, big data, IoT
16:40	17:40	Smart Technologies for Rail Vehicles and Infrastructure	<i>occupancy announcement system, passenger load prediction, tailgating detector</i>
17:50	18:45	Smart Technologies for Rail Vehicles and Infrastructure	<i>simulation tools for energy efficiency, signaling for low density lines, safety at intersections</i>

Day 3 – Thursday, Nov. 16th

Railway Hub

<i>From</i>	<i>To</i>	<i>Session Title</i>	<i>Session Keywords</i>
9:15	11:15	Ibero-American Roundtable	<i>main infrastructure projects in Latin America, international expansion of Latin operators</i>
11:30	12:30	Connecting the Tram Networks: Current State and Future Challenges	TBD
12:45	13:30	Circular Economy in Mobility (by ACCIÓ)	TBD

PUBLIC TRANSPORT STREAM

Currently in design process by the Program Committee.
Session titles will be available soon.

Topics include:

- › Connectivity & Digitalization
- › Mobility as a Service
- › Use and Management of Infrastructure
- › Apps for rail mobility

The logo features a stylized graphic of two parallel diagonal lines, one yellow and one black, on the left side. To the right of this graphic, the text "SMARTMOBILITY" is written in a large, bold, black, sans-serif font. Below "SMARTMOBILITY", the words "WORLD CONGRESS" are written in a smaller, bold, black, sans-serif font.

SMARTMOBILITY
WORLD CONGRESS

14-16 NOVEMBER 2017
GRAN VIA VENUE

*The Delegate pass grants access to the congress sessions of the **Smart City Expo World Congress**, organized around the following topics: Governance, Mobility, Safe Cities, Economy, Sustainability, Circular Economy, Society and Data&Technology. Please visit www.smartcityexpo.com for more information.
